

*ROBERT JULIAT*

## **BIZET FIRMWARE HISTORY**

After updating, refresh your web page and check that you have the following text at the bottom of the page:

ROBERT JULIAT - RJ LED 2 - Version X.XX

It is highly recommended to do a Factory Reset after the update. This can be done from the Web Page or RDM.  
It should also be noted that user settings will be lost.

### **V4.05 Build 2512 – Official Release 31/07/24**
